

Vinson Hall Retirement Community Volunteer Opportunities

Volunteers make Vinson Hall Retirement Community a better place! Volunteers support the work of VHRC staff, help meet the social, emotional, and psychological needs of VHRC residents, and bring boundless energy to our campus. Our volunteers offer an array of activities to our residents including arts and crafts, musical performances, stimulating games, personal visits, and lifelong learning opportunities. We also have a thrift shop, The Treasure Shop, that is staffed exclusively by volunteers. Take a look below at how you can be a part of something great!

How Can You Help?

Treasure Shop Assistants

Our thrift store is volunteer-driven, and all proceeds benefit our Foundation. Volunteers are needed to work the register and assist with receiving consignments and donations.

Computer Training and Troubleshooting

Volunteers are needed to provide individual instruction to our Independent Living residents on topics such as using Microsoft Office programs, working with email accounts, Facebook, etc.

Recreation Aides

Volunteers assist recreation staff in conducting activities such as social events, arts and crafts, games, outings, cooking and other similar activities for residents in assisted living, nursing care and memory care. Volunteers are also needed to assist in moving residents to and from event locations.

Music Programs and Performances

Our residents enjoy music of all types. We need volunteers to share their talents by performing during a party, leading a weekly choral group, or providing a special performance. Individuals and groups are welcome.

One-on-One Visits

Our residents appreciate visitors. If you have time or inclination to sit and chat with someone, one-on-one visits are a great opportunity.

Pet Therapy

Pet visits provides immense joy to our residents. If you have pet that would make a good visitor, consider bringing the pet to visit our residents.

Administrative Assistance

Clerical support may include data entry, filing, copying, collating, labeling, booklet binding and telephone answering

Group Volunteers

Corporate and community volunteer groups are invited to host a day of service at our community. Opportunities vary based on skills, community need, and interests.

Contact Amiee Freeman, Communications & Engagement Coordinator for Vinson Hall Retirement Community, at amieef@vinsonhall.org or 703-538-3069 to learn more.
